

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF TEXAS  
AUSTIN DIVISION

United States of America

vs.

(10) Eric Porter

§  
§  
§  
§  
§

NO: AU:18-CR-00091(10)-RP

**ORDER ACCEPTING REPORT AND RECOMMENDATION** -  
**OF THE UNITED STATES MAGISTRATE JUDGE**

Before the court is the above styled and numbered cause. On October 2, 2023 the United States Probation Office filed a Petition For Warrant or Summons For Offender Under Supervision for Defendant Eric Porter, which alleged that Porter violated a condition of his supervised release and recommended that Porter's supervised release be revoked (Clerk's Document No. 1528). A warrant issued and Porter was arrested. On April 2, 2024, Porter appeared before a United States Magistrate Judge, was ordered detained, and a revocation of supervised release hearing was set.

Porter appeared before the magistrate judge on April 23, 2024, waived his right to a preliminary hearing and to be present before the United States District Judge at the time of modification of sentence, and consented to allocution before the magistrate judge. Following the hearing, the magistrate judge signed his report and recommendation on April 23, 2024, which provides that having carefully considered all of the arguments and evidence presented by the Government and Defendant, based on the original offense and the intervening conduct of Porter, the magistrate judge recommends that this court revoke Porter supervised release and that Porter be sentenced to imprisonment for 18months, with

no term supervised release to follow the term of imprisonment (Clerk's Document No. 1595).

A party may serve and file specific, written objections to the proposed findings and recommendations of a magistrate judge within fourteen days after being served with a copy of the report and recommendation, and thereby secure a *de novo* review by the district court. *See* 28 U.S.C. § 636(b); Fed. R. Civ. P. 72(b). A party's failure to timely file written objections to the proposed findings, conclusions, and recommendation in a report and recommendation bars that party, except upon grounds of plain error, from attacking on appeal the unobjected-to proposed factual findings and legal conclusions accepted by the district court. *Douglass v. United Services Auto Ass'n*, 79 F.3d 1415 (5th Cir. 1996) (*en bane*). The parties in this cause were properly notified of the consequences of a failure to file objections.

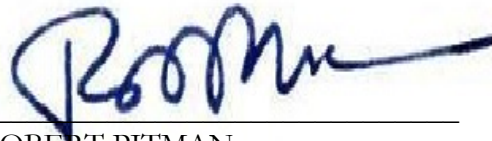

On April 23, 2024, following the hearing on the motion to revoke supervised release, all parties signed a Waiver Of Fourteen Day Rule For Filing Objections To Report and Recommendation Of United States Magistrate Judge (Clerk's Document No. 1594). The court, having reviewed the entire record and finding no plain error, accepts and adopts the report and recommendation filed in this cause.

**IT IS THEREFORE ORDERED** that the Report and Recommendation of the United States Magistrate Judge filed in this cause (Clerk's Document No. 1595) is hereby **ACCEPTED AND ADOPTED** by this court.

**IT IS FURTHER ORDERED** that Defendant Eric Porter's term of supervised release is hereby REVOKED.

**IT IS FURTHER ORDERED** that Defendant Eric Porter be imprisoned for 18 months with no term of supervised release.

Signed this 25th day of April, 2024.
